Bumble & Snug

and the
Angry
Pirates

Mark Bradley

This is
Bumble.

50%
enthusiasm.

50%
energy.

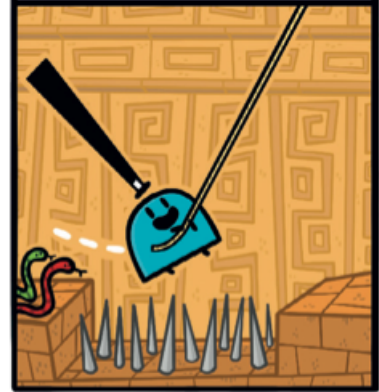

Hiya!

100%
excitement!

She loves
loud noises...

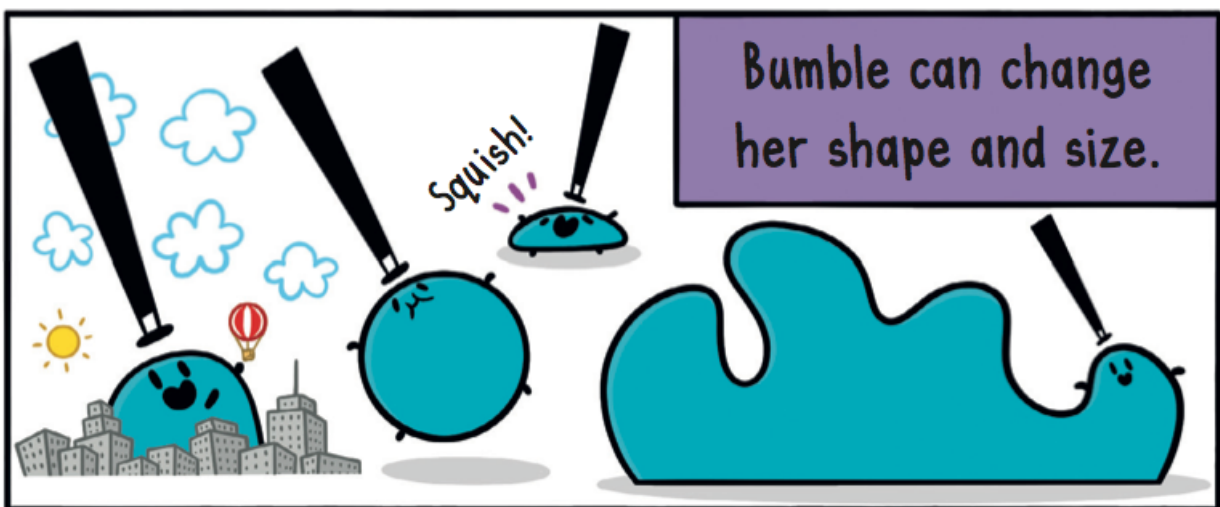

adventuring...

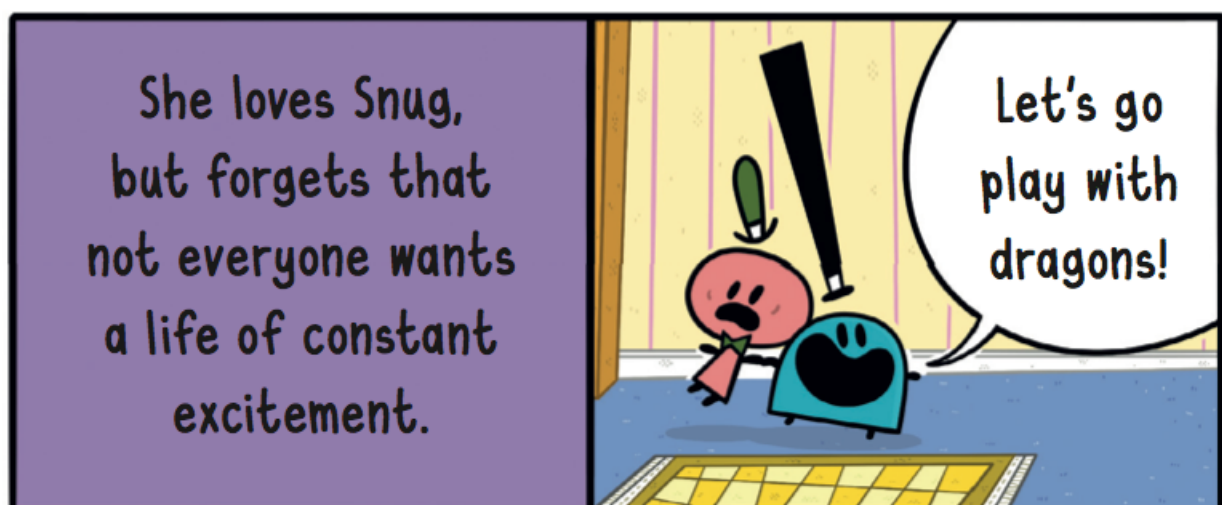

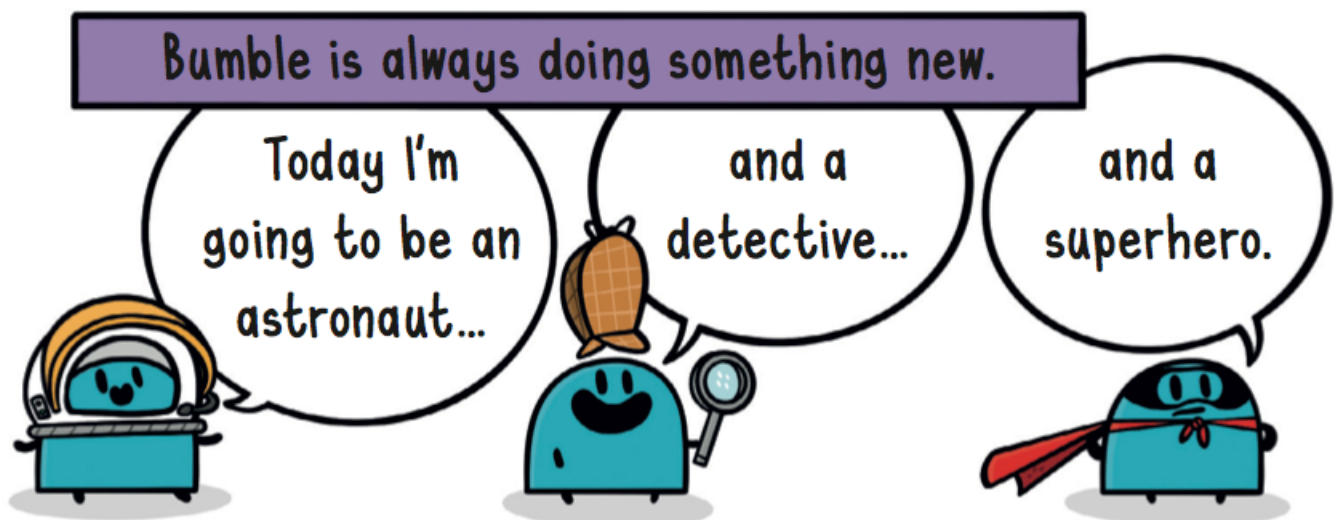

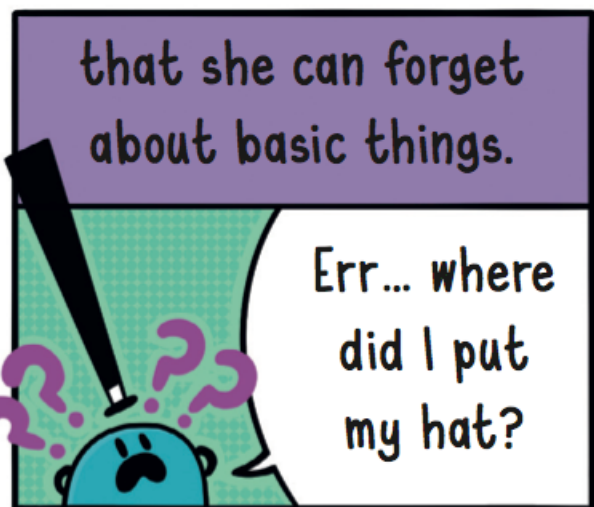

making
friends...

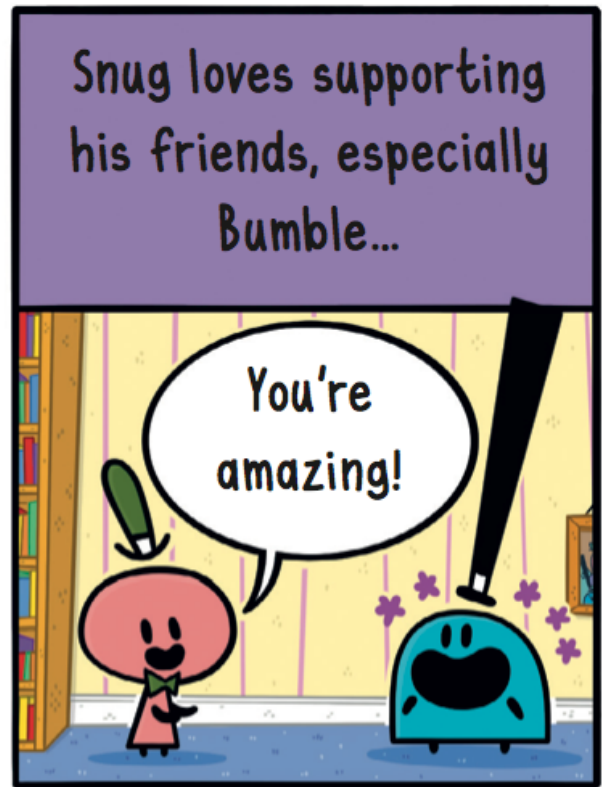

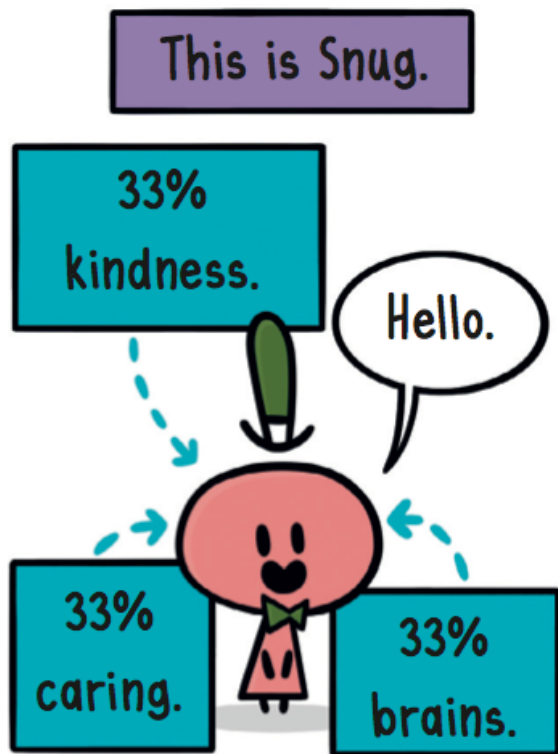

and, well,
pretty much
everything!

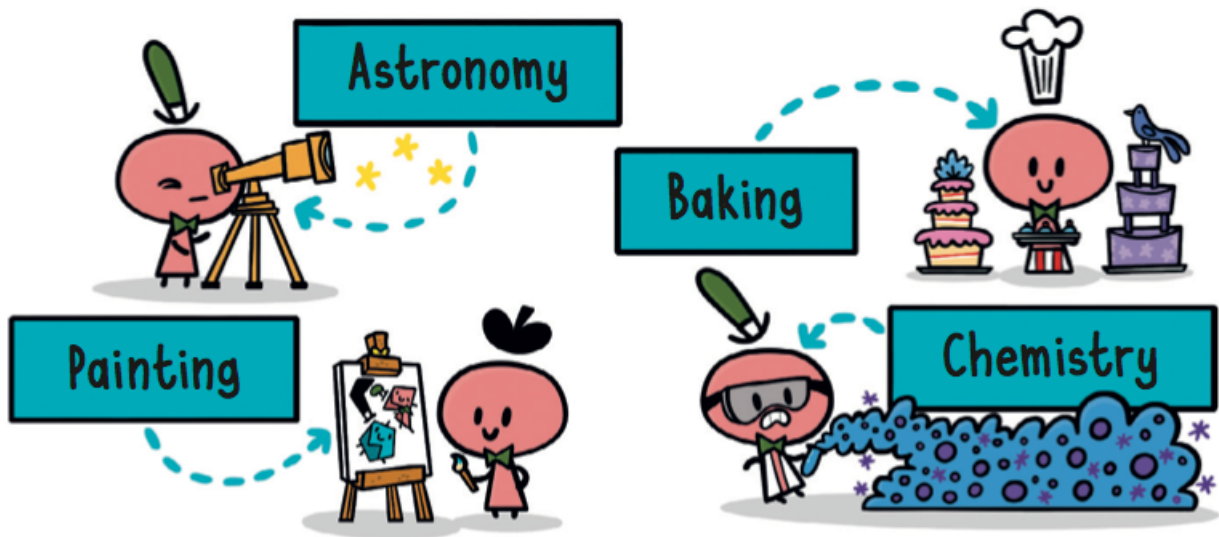

Bumble can change
her shape and size.

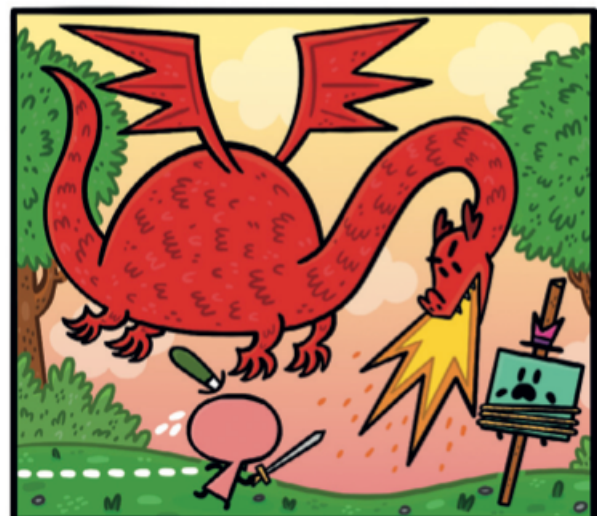

There is nothing that he likes more than reading, and learning new skills, like...

Snug can feel quite anxious and scared...

but he can be super brave if someone needs help!

Bumble
and Snug
are always
going on new
adventures...

to new
places...

and seeing
new things.
