PERFECTLY NORMAN

TOM PERCIVAL

LONDON OXFORD NEW YORK NEW DELHI SYDNEY

Norman had always been normal
– *perfectly* normal.

Until one day . . .

... he grew a pair of wings!

Norman had imagined
growing taller . . .

or growing a beard,
like his dad . . .

But he had
never imagined
growing a pair of wings!

A whimsical illustration of a young child with dark hair and large eyes, wearing a yellow shirt and green pants. The child is surrounded by a large, vibrant, multi-colored aura of feathers or wings in shades of yellow, orange, pink, blue, and green. In the upper right corner, a small pink bird with a yellow beak and feet is flying. The background is a soft, light blue sky with faint, white, swirling patterns at the bottom, suggesting clouds. The overall style is soft and painterly.

Still, they were here now, so he
decided to test them out right away.

Soon Norman was
swooping around
and generally having

the **MOST.**
FUN.

NEVER!

But then . . .

Norman had always been normal,
perfectly normal . . .

until the day he grew a pair of wings!

A bold and uplifting book about daring to be different
and having the courage to dance to your own tune.

Perfect for soothing even the biggest worries.
