

We're exploring the Antarctic for penguins.  
But I'm going to see a MAMMOTH.

*Don't be silly! You can't see  
a mammoth! And why would  
you want to when you can see . . .*

But I'm not here to see penguins . . .

MAMMOTH! MAMMOTH!  
MAMMOTH! MAMMOTH!  
MAMMOTH! MAMMOTH!  
MAMMOTH!

LOOK! I saw a great big mammoth,  
on a skateboard . . .  
wearing SUNGLASSES!

Er, you can't have seen a mammoth.  
Mammoths are extinct. And I'm pretty  
sure they're not even from around here.

Are you certain what you saw wasn't  
a wonderful, majestic, glorious penguin . . .  
on a skateboard . . . wearing sunglasses?

It wasn't a silly penguin.  
I didn't see a penguin.

I definitely, definitely, definitely saw a ...

M... M... M....

MAMMOTH!
