Chapter 1

Another peaceful day in the city! Crime has crawled under the rocks from whence it came...

...cowering in fear of the robot reptile that saved our fine city from total destruction.

And now this great green guardian is home to the...

INVESTIGATOR!

ACTION NEWS NOW - CICI BORINGSTORIES - ACTION NEWS

Doesn't she realize there are **TWO** InvestiGators, Brash?

You should be glad she doesn't, Mango.

My **HEAD** looks exactly like our **HEAD**quarters!

I can't go anywhere without being recognized. It's put a real damper on my **UNDERCOVER** work!

INVESTIGATORS!

*Special Undercover Investigation Teams

*Computerized Ocular Remote Butler

I just think those ORBs are adorbs!

That extra ORB unit sure has come in handy now that **MegaRoboBrash** is no longer a functioning robot after being converted into our **InvestiQuarters**.

Now, hurry, Mango! **TO THE SEWER!**

In a rush. Time to flush!

--INVESTIQUARTERS CROSS SECTION--

InvestiQuarters is a word with six vowels!

It's been forever since we had a musical montage.

YAY!

Mango and Brash are in its robotic bowels!

Can we just call it "plumbing"?

♪ ♪ Gettin' to the sewer is what it's about! ♪ ♪

The journey is just as important as the destination.

♪ Even if it seems gross, the way they come out! ♪ ♪

TO ROBO-CLOACA

This is my favourite fart - I MEAN, favourite part!

Chapter 2

Armando's is of course the Apparel Research and Manufacturing *SUBSTITUTE*, while the real A.R.M.S. is being rebuilt with the rest of S.U.I.T. headquarters.

Hey, Armando!

Morning, Arm!

Oh, it is Brash, the Investigator. Here to see the octopus?

SEPTApus.

We must be *extra vigilant*, Mango. There are probably **counteragents** who are after the contents of that S.U.I.T.case!

Careful! Whatever's in that thing might be **FRAGILE!**

How 'bout we peek inside?

DON'T OPEN IT!

It might be full of undeveloped spy photos that would be ruined if exposed to light! Or classified documents above our pay grade! Ingredients to a secret recipe! Answers to a maths exam! Or maybe it's **BOOBY-TRAPPED!**

You know how the spy business works. The more innocent something looks, the more *DANGEROUS* it can be! That's why the General Inspector tasked his **BEST AGENTS** to deliver it!

And deliver it...where?

Hmm... This cross street is on the waterfront.

TO THE RIVER, MANGO!
