Blackbeard's Treasure

NEW FOR
2023

In 1717, **Edward Thatch** or **Teach**, aka **Blackbeard** captured a large slave ship called *La Concorde* which he renamed *Queen Anne's Revenge*.

If a pirate ship had a **black flag** flying, it meant that they were about to attack! Ships working for the King would fly the **King's Colours** (later called the Union Jack).

A **Jacobite** was someone who wanted James Stuart to be king instead of George I. There were a lot of Jacobites in the British Caribbean at the time this story is set.

Anne Bonny was a famous Irish pirate who was disguised as a boy by her father when he took her to America.
