GOODNIGHT SUN

Faber has published children's books since 1929. T. S. Eliot's *Old Possum's Book of Practical Cats* and Ted Hughes' *The Iron Man* were amongst the first. Our catalogue at the time said that 'it is by reading such books that children learn the difference between the shoddy and the genuine'. We still believe in the power of reading to transform children's lives. We pride ourselves on responsible editing and think our books deliver on their promise. We hope they grow a love of reading, kindle curiosity and nurture empathy. Our aim is to publish excellent, kind and inclusive books in which all children feel represented and important.

This is Sun.

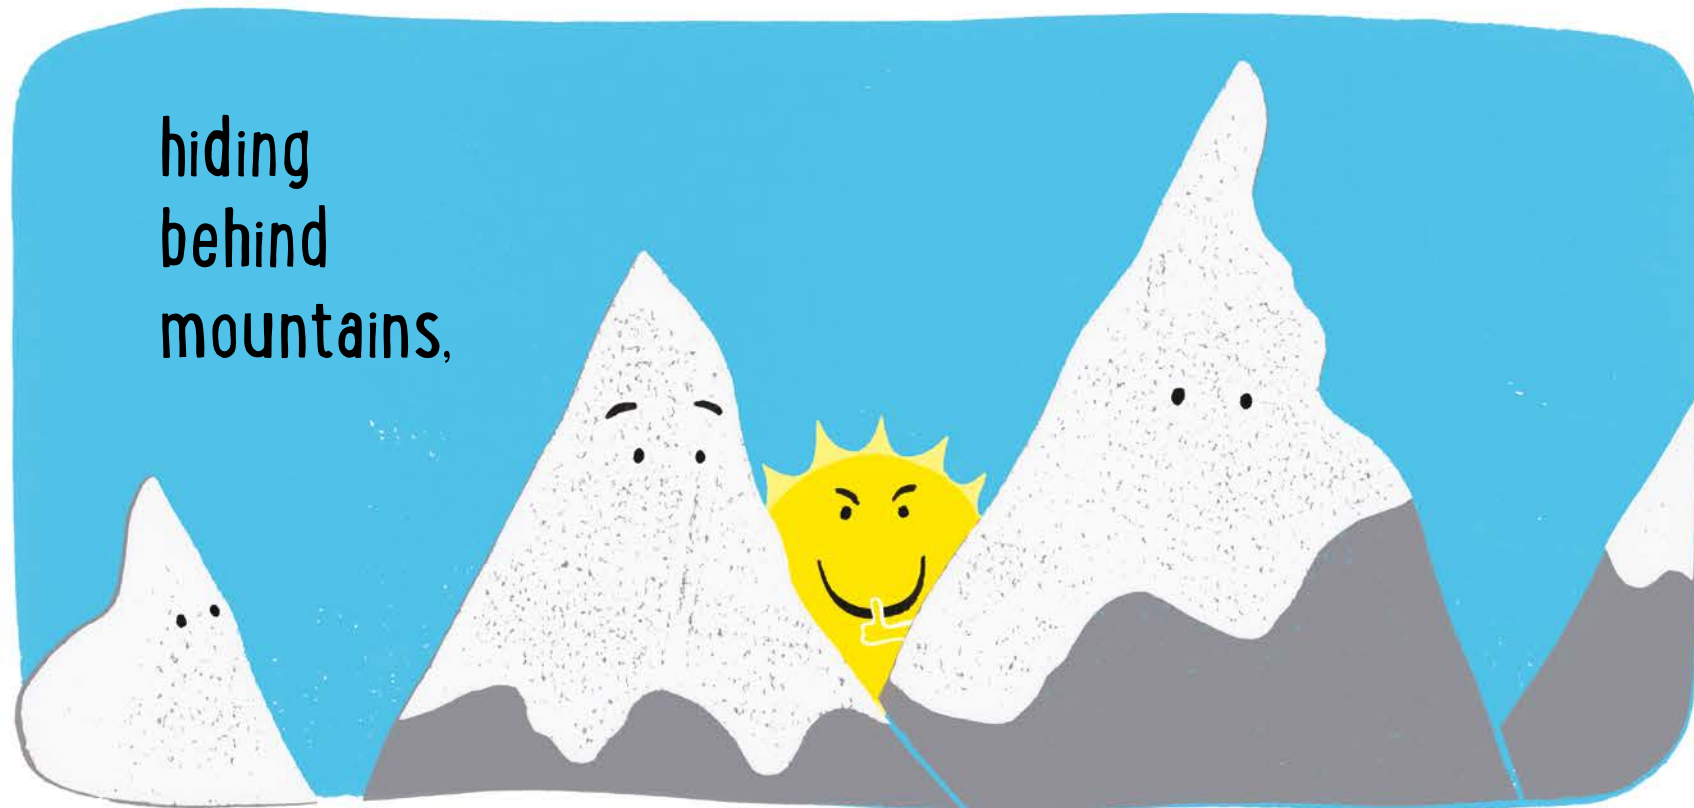

Sun is a big ball of energy.

All day, Sun dances
across the sky -

shimmering on the sea,

hiding
behind
mountains,

making
beautiful
rainbows.

But now the day is done.
Now Sun must go to sleep.
GOODNIGHT SUN.

“I don’t want to go to bed,” says Sun.

“I want to stay up aaaaaaaall night.”

But nighttime is for quiet and sleeping.
Nighttime is for darkness.
