

As Charlie stood in front of goal,
Her nerves began to take control.
The Cheer Squad burst out,

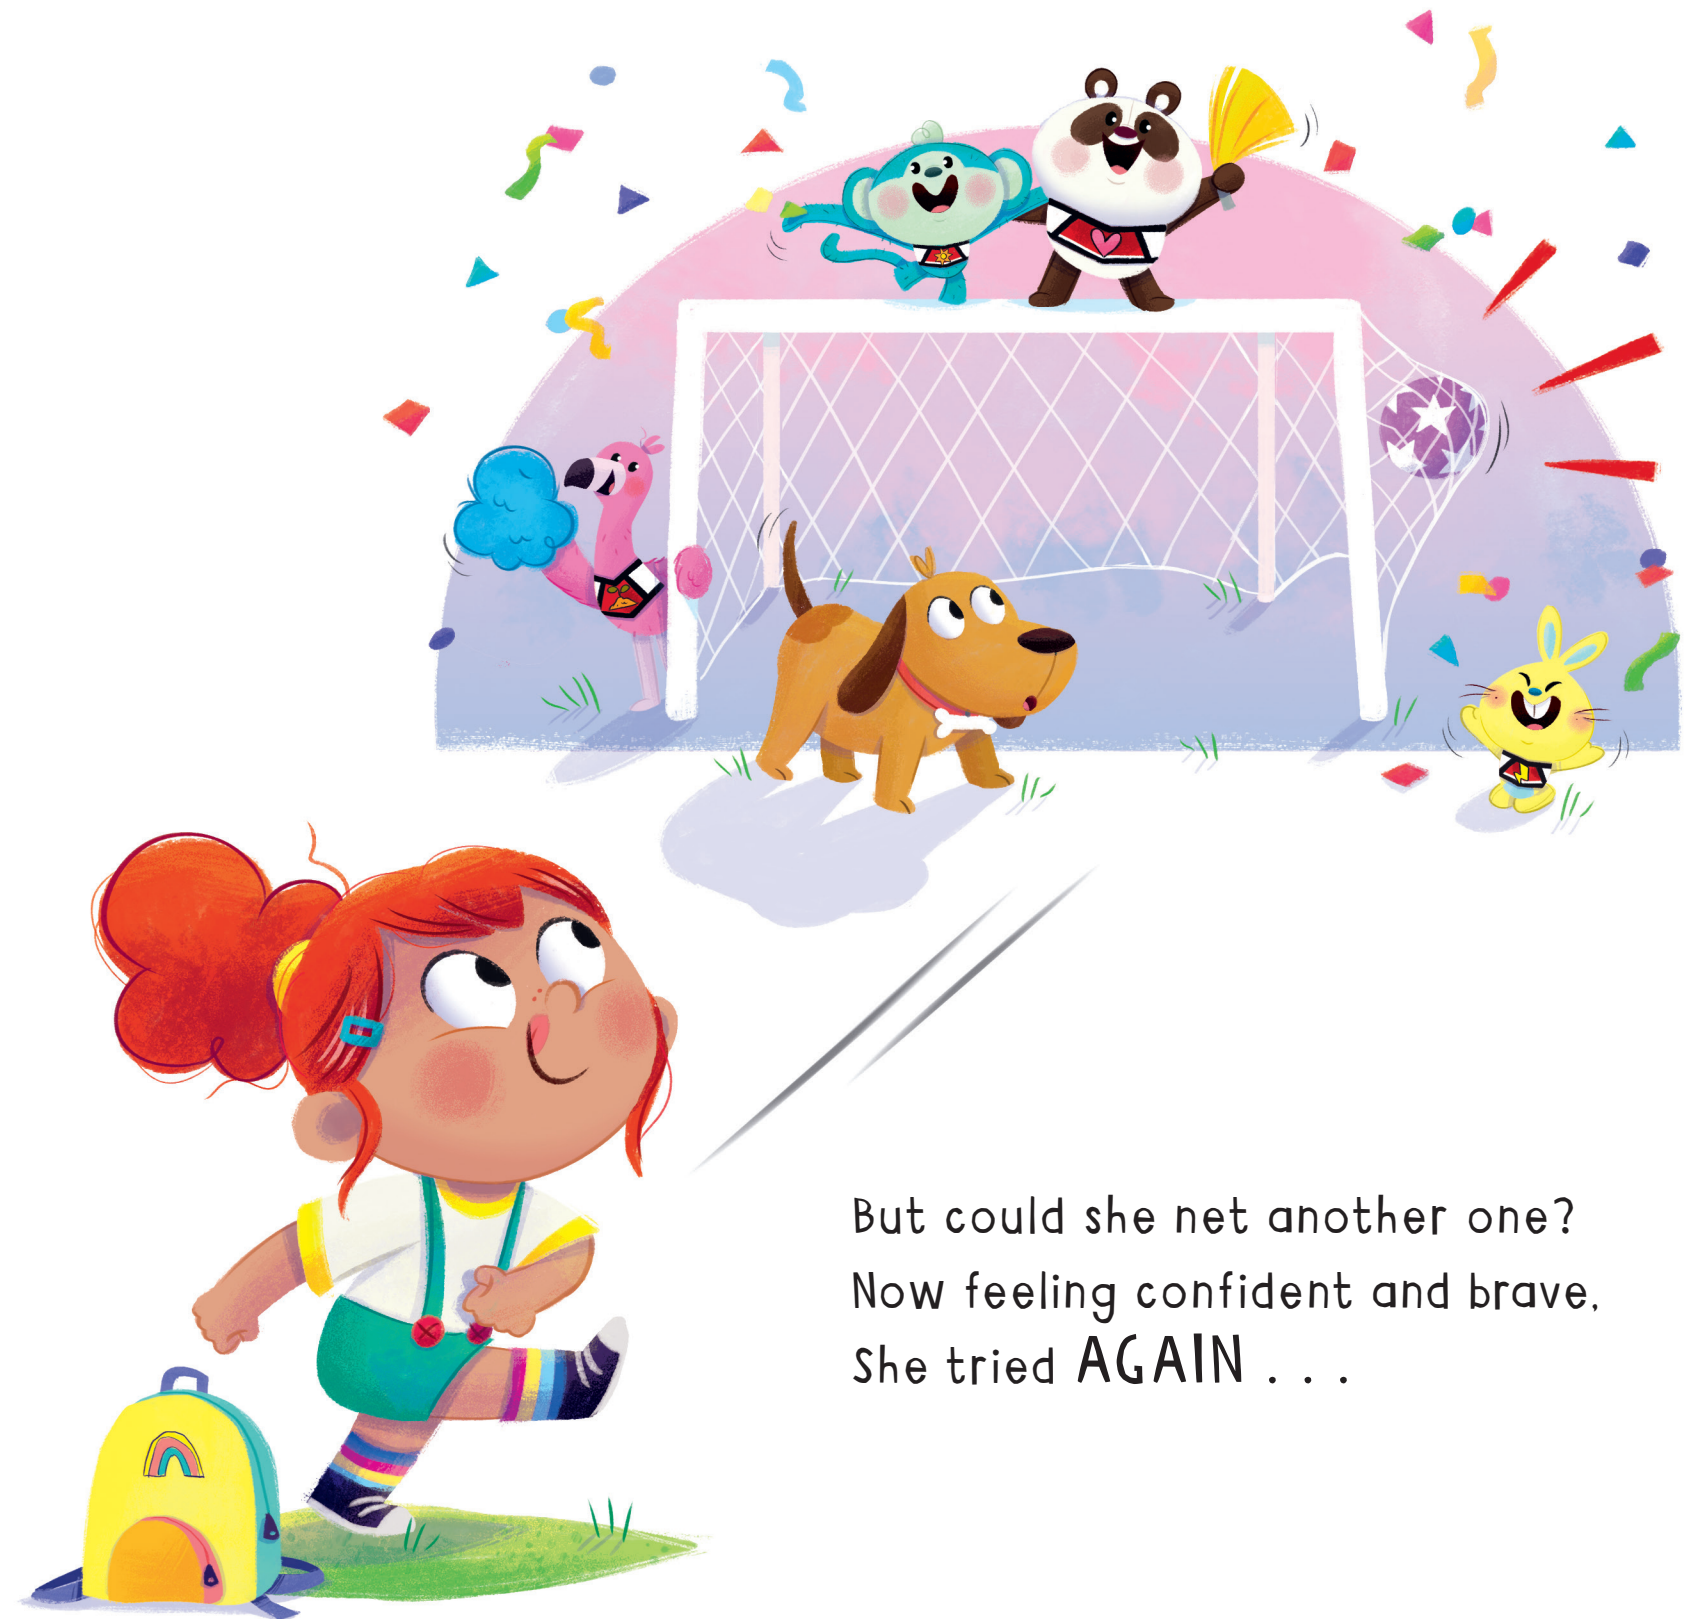

“Go, go, go!”

“You’ve got this, Charlie,
you’re a pro!”

“She shoots, she scores!” they cheered.

“WELL DONE!”

But could she net another one?
Now feeling confident and brave,
She tried **AGAIN** . . .

It doesn't matter,
big or small,
The Cheer Squad
celebrate it all . . .

"Go, Charlie –
what a great
first try!"

"You've got this!
That's a brave
goodbye."

"Well never mind about the cake,
There's plenty more here
we can bake."

"You've got this –
making sure to look!"

"Go, Charlie –
reading your new book!"

The Cheer Squad's feeling good – yippee!
They reached the pool in time to see
Brave Charlie as she strolled towards . . .

The springy, bouncy diving boards!
