This is

GORDON.

Gordon is a goose.

But Gordon is not just any goose.

NO!

GORDON was once
**THE MEANEST GOOSE
ON EARTH.**

He wasn't just cranky. Or sad. He was really MEAN! Maybe you've heard about some of the mean things he did? Maybe you've wondered whether any of it was true?

Did Gordon trap Mrs Hedgehog in a box ...

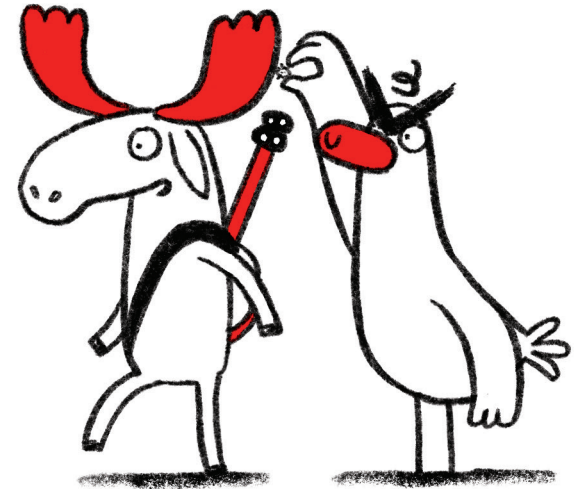

and then post her to Antarctica?

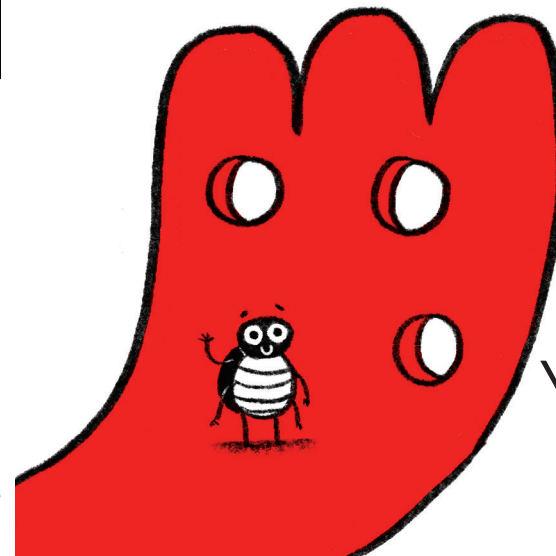

You bet he did!

Did Gordon tell everyone there was a big party at Gunter Bear's cave right in the middle of his hibernation?

Oh yes!

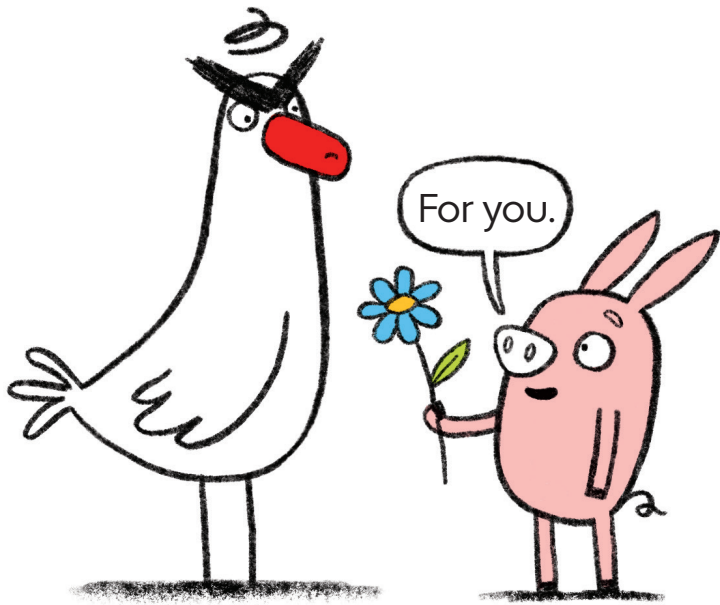

Did Gordon put a hungry beetle on Edgar the Moose's antlers so that it chewed great whistly holes in them?

Yes again!

Then one day Gordon met
Anthony the Piglet.

Anthony is kind.
Anthony is brave.
Anthony is a kind, brave piglet.

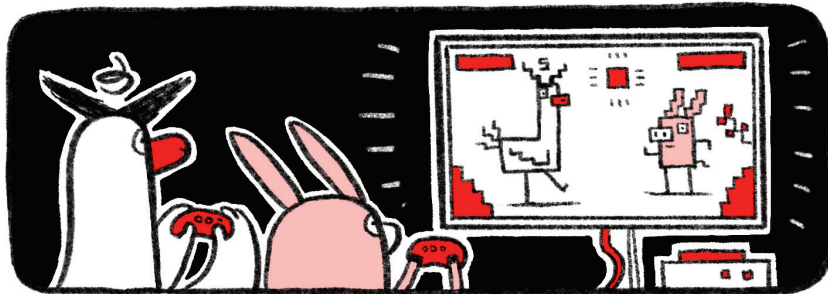

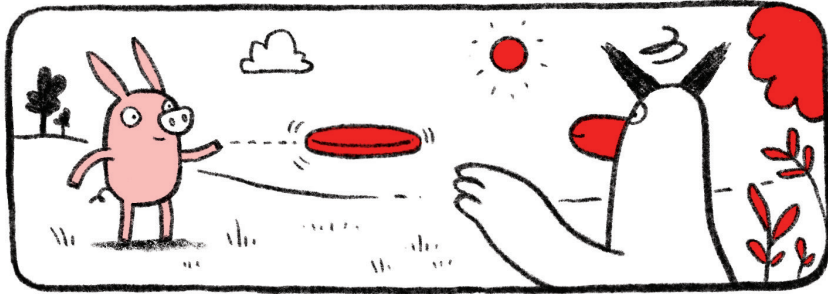

Anthony taught Gordon how to be kind.
Anthony taught Gordon that it is braver
to be kind than to be mean.

He also taught him how to spell his
own name.

(Gordon had been too mean to go
to school.)

Since then, Gordon and Anthony have been best friends.

And with Anthony's help...

Gordon tries his best to make up for the mean things he's done.

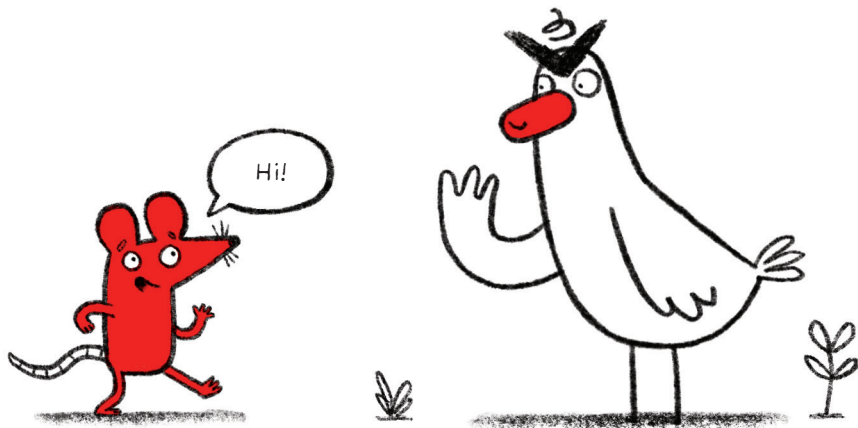

But it doesn't always go to plan.

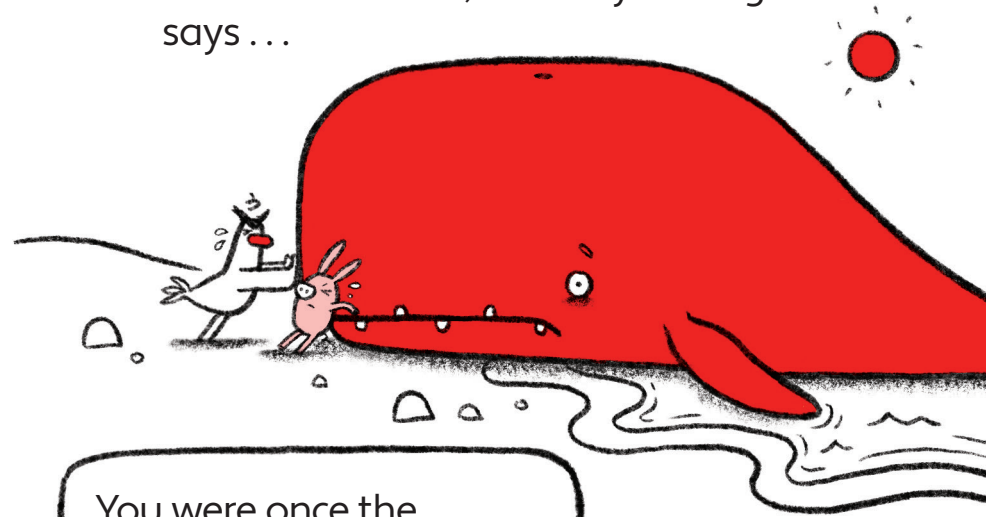

For Gordon, being a good goose started out really badly.

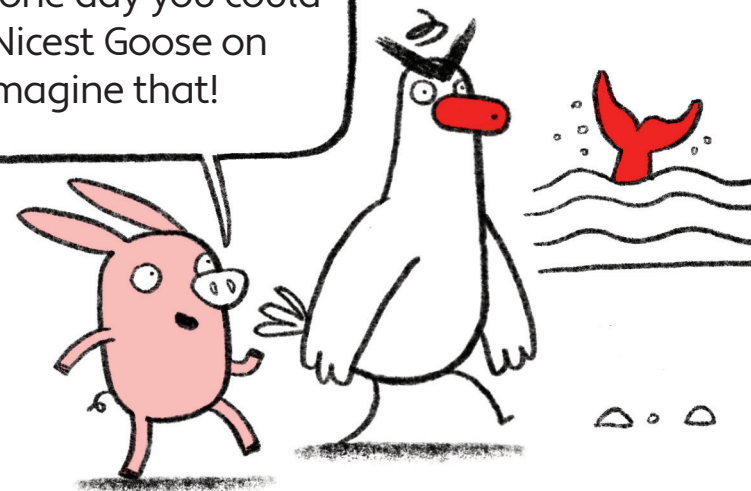

But he is getting the hang of it. People even greet him in the street now, rather than screaming and running away.

One day, after pushing a beached whale back into the sea, Anthony the Piglet says ...

You were once the Meanest Goose on Earth. Maybe one day you could be the Nicest Goose on Earth. Imagine that!

Gordon does imagine it. People cheer.

A helicopter takes him on a tour.

He eats
fancy food.

He becomes Mayor of Grover Gardens.

More people cheer.
