

A large red tractor with a friendly face, large white eyes, and a wide smile is floating in space. It has two large black tires with yellow centers. A smaller blue tractor with a similar friendly face is floating nearby. The background is a dark space with a bright yellow light source, possibly a sun or star, and several white starburst shapes.

**"Well, howdy!"**

Toby heard a big, booming voice, and was amazed to find a **GIGANTIC** tractor, floating in space!

A red tractor with a friendly face is floating in space, surrounded by a large, vibrant pink nebula. A smaller blue tractor is also visible in the space. The background is dark with a yellow light source and a red planet in the upper right corner.

**"There are tractors in space?"** asked Toby.  
**"Well of course there are, little fellow. My name is Big Red,"** she said. **"Would you like a tour?"**

Big Red and Toby were riding Saturn's rings...

when they met two of the fastest tractors Toby had ever seen!

"I'm Zip." said the green tractor.

"Want to race?" asked Zoom, the purple tractor.

Toby joined them on a space rock race!  
He moved up and down and to the side,  
dodging all the asteroids.

He was having a great time, until...
