Bedtime for little diggers,

bedtime for little cars.

Bedtime for noisy engines,

beneath the twinkling little stars.

**Bedtime for busy buses,
bedtime for flashing lights,**

**Bedtime for heavy dumper trucks
on sleepy, dreamy, moonlit nights.**

Bedtime for tired train tracks,
bedtime for tired trains,

Bedtime for whirring helicopters,
bedtime for tired planes.

A whimsical illustration of a night scene where various vehicles are sleeping on rolling hills. The hills are covered in patterned blankets: a blue blanket with white stars on the left, a pink blanket with white diagonal stripes on the right, and a blue blanket with white dots on the bottom left. In the top left, a yellow car, a pink van, and a green truck carrying fruit are sleeping on the blue star-patterned hill. In the top right, a blue tractor, a green tractor, and a red tractor are sleeping on the pink striped hill. The green tractor is pulling a basket full of carrots. In the bottom left, a red tow truck is sleeping on the blue star-patterned hill, towing a large carrot. In the bottom right, a yellow and white train is sleeping on the pink striped hill, with several pink rabbits visible through its windows. In the foreground, three colorful ice cream cones (orange, pink, and orange) are melting. The background is a dark blue night sky with white stars.

Bedtime for busy tow trucks,
bedtime for brm-brm vans,

Bedtime for little tractors,
bedtime for toot-toot trams.
