

The **Amazing Lizard Bros!**

Okay, what makes a good hat? Novelty and originality?

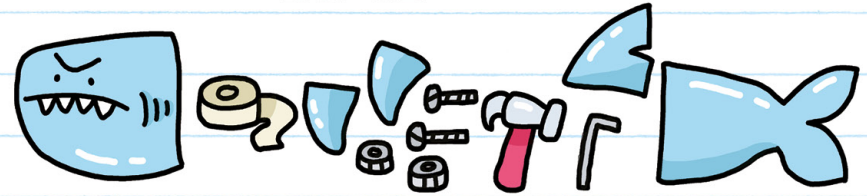

A-ha! Maybe the Squid would love a Sea-themed hat! Ooh, yes!

Let's see if I can find some sea stuff around here!

☆ A Brief History of Dogs in Wigs ☆

1334 BC

1755

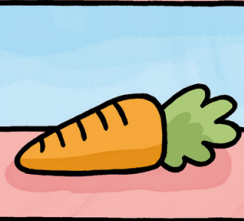

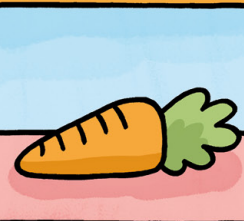

1973

Throughout history, dogs have never really enjoyed wearing wigs.

☆ A Very Special Carrot ☆

wait...no. It's just a normal carrot.

The **Red Panda:** nature's **JERK**

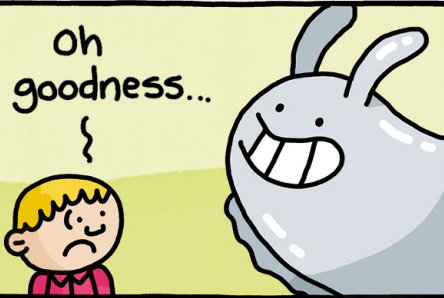

I hate everything.

*Squid Bits Horoscopes!

Cancer, Leo, Pisces.

A chance encounter with a giant slug will put things into perspective for you.

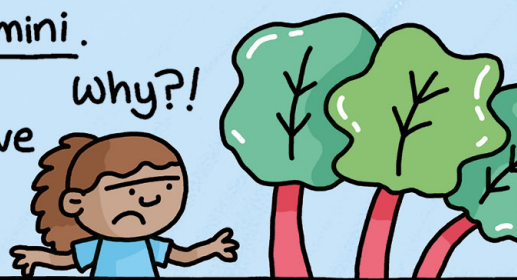

Aries, Taurus, Sagittarius.

Don't beat yourself up for a silly mistake. Unless it's accidentally putting salt into a cake instead of sugar.

Libra, Capricorn, Gemini.

A sudden windfall of rhubarb will leave you confused and annoyed.

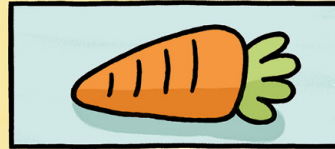

Virgo, Scorpio, Aquarius.

A feeling of great foreboding and dread will turn out to be a touch of wind.

Oh hey! There's a Crab! Wanna be on a hat?

Check list!

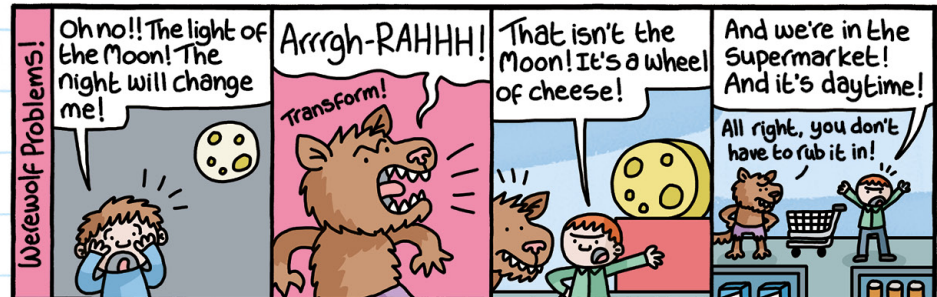

Several pre-cooked sausages 

A crab who lost out on a karate championship back in 1984 and is still bitter about it. 

All the sweets no one wants in the selection boxes. 

Clean pants. 

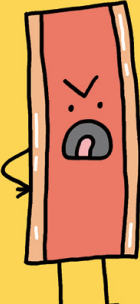

You're ready!

Ooh, kelp is very sea-themed! A bit stinky but I guess that adds to the charm!

Dr Bacon's Clinic-Now Open!

The Interview!

I'm punctual, organised and work well on my own initiative!

I'm very creative in my work and I like thinking outside of the box! I feel I can bring a lot to this job!

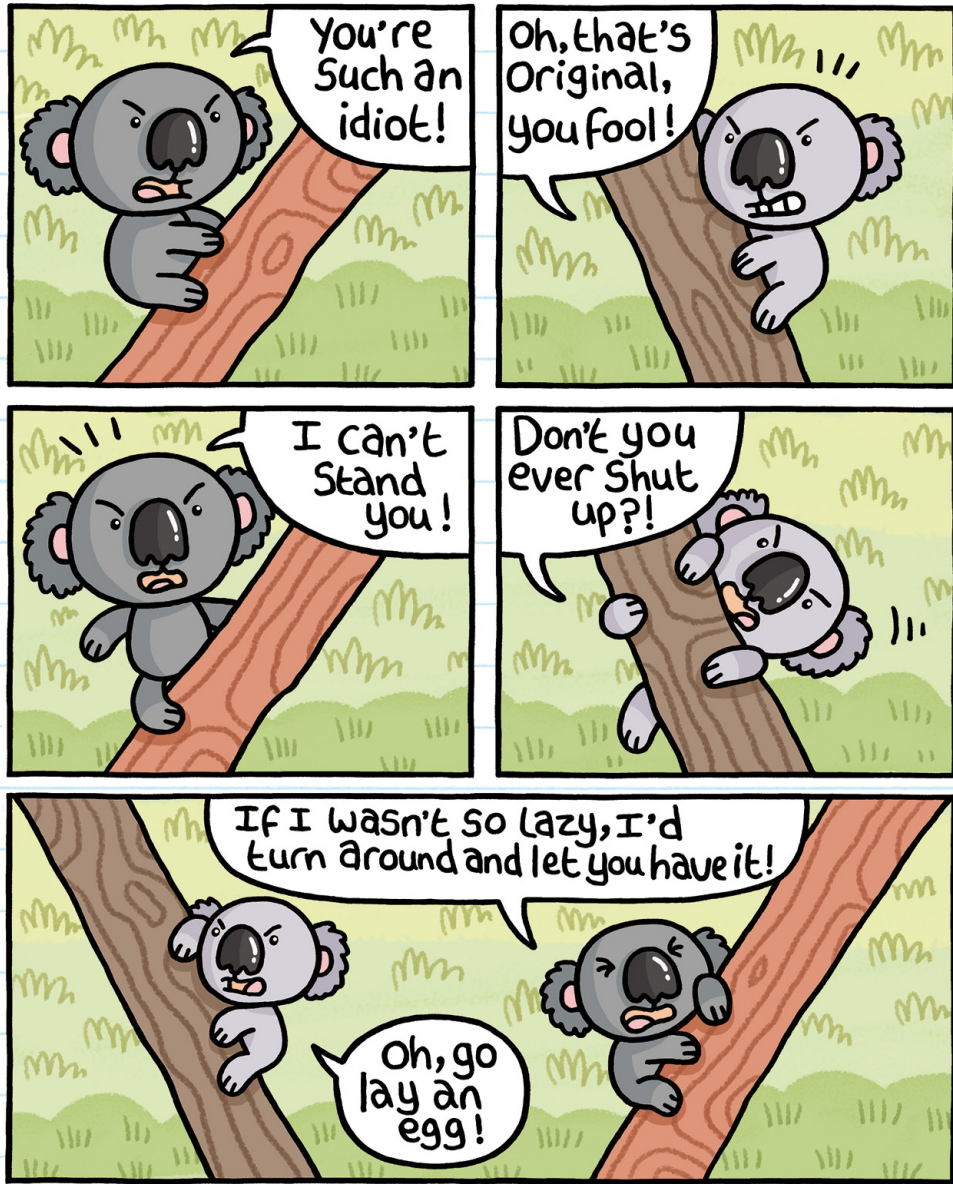

Well, I'm very impressed with your CV! Can you start on Monday?

Monday...

Yes! Wow, thank you, sir!

Koalas: Not Very Social

Panel 1: Koala 1: "You're such an idiot!"

Panel 2: Koala 2: "Oh, that's original, you fool!"

Panel 3: Koala 1: "I can't stand you!"

Panel 4: Koala 2: "Don't you ever shut up?!"

Panel 5: Koala 2: "If I wasn't so lazy, I'd turn around and let you have it!"

Panel 6: Koala 1: "Oh, go lay an egg!"

Hey, that's my kelp! — 

In the **Olden Days**...

Achoo!

Very few things were in colour.

What's the time, Mr Wolf?

How should I know?! I'm an animal! I have no concept of time as humans see it! How ridiculous!

Squid Bits Homework Help! ★

Let Squid Bits sort that pesky geography homework for you!

Volcanoes are hot mountains.

Phew!

The Arctic is the direct mirror image of Antarctica.

But penguins don't live in the Arctic...

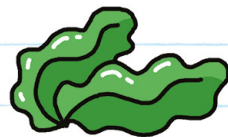

Everything below the equator wears a hat.

Clouds are damp ghosts.

Woo! Aaah!

DO NOT EAT!!

I guess I need to make an actual hat to stick this stuff on!

Vote for **President Dog!**

He's cute and he wears a tie! What more could you want in a president?
