RILEY WRIGHT AND THE SUPER AWKWARD SLEEPOVER

OFFICIAL SLEEPOVER RULES

1. Ice cream must be eaten for breakfast (bonus points for chocolate sauce and sprinkles).
2. Don't expect the sleepover organiser to have enough pillows and sleeping bags for everyone. It's polite to bring your own.
3. Don't eat too much before you arrive.
4. Sleepovers should always include the following food options:
   - pizza
   - chicken-nugget-and-chip sandwiches (ELITE)
   - popcorn (my fave flavour is caramel)
   - crisps (salt and vinegar are the best!)
   - chocolate brownies
   - hot chocolate (with squirty cream and sprinkles AND marshmallows!)
   - little cookies (to dunk into the hot chocolates)
   - BIG cookies (still warm from the oven, YUM!)
   - Sweets in little bags ready for midnight feasts (but don't mix plain sweets with the super-fizzy-makes-your-mouth-water sweets – wrong on every level!)
5. Every sleepover should include:
   - a pillow fight
   - a game of truth or dare (or hide-and-seek if you prefer)
   - at least one movie
6. Everyone has to stay awake as late as possible.
7. **NO GROWN-UPS OR ANNOYING OLDER BROTHERS ALLOWED!!!!**
