

Meet Sue and Paul:

Sue Hendra and Paul Linnet have been making books together since 2009 when they came up with *Barry the Fish with Fingers*, and since then they haven't stopped. If you've ever wondered which one does the writing and which does the illustrating wonder no more... they both do both!

cried the veggies.

But this time,
help didn't come ...

Well, not immediately, but it did eventually . . .

SLEEPY-TATO TO THE RESCUE!

“What’s going on, veggies?
Why are you all
so frightened?”

"B . . . b . . . b . . . because
there's a creepy robot!"
gasped Carrot.

"And a spooky witch!"
cried Tomato.

"And a ghastly ghostie!"
wailed Cucumber.

'No, no, no. That's not a creepy robot, Carrot. It's just some boxes of cereal and biscuits.

And that's not a spooky witch, Tomato. It's just an old mop and a traffic cone.

And that's not a ghastly ghostie, Cucumber. It's just . . .
